An Outdoor Summer

This month the Quai Branly museum is organising educational and fun activities for the whole family. Weave your way through the flora and fauna and discover different plant species or head to the pop-up outdoor café where every Saturday you can enjoy fairytales for young and old. The museum has also set up an ice-cream truck that is sure to be a hit with everyone, serving ice-cream to be enjoyed in the shade under one of the 169 trees found in the garden.
